Speaker 1 (00:00):

Well, this is in fact today,

Speaker 2 (00:03):

Not about a future plan. This is the platform which is you start with a digital front door. Let's say you have a chronic condition or multiple chronic conditions, which are the folks that cost the most money in our healthcare system. So if you have type two diabetes, 70% of the people with type two diabetes also have hypertension, a high percentage of those people have a weight management issue. And if you're dealing with multiple chronic conditions, you may at times have a behavioral or mental health issue, which is you might get tired of it. You might get depressed about it. So all of those fit together, very nicely, those same people, um, occasionally get a sinus infection or occasionally have other issues. And to have one platform, you know, they used to call us in the middle of the night and they'd say, I have a sinus infection.

Speaker 2 (00:53):

We'd say, well, why are you calling us? And they'd say, well, number one, you're the only ones who will answer the phone. Number two are the only ones who are responsive. And number three, you're the only ones we trust. So we started to say, well, this is a real need. How do we solve that need for our members? And we started to talk with all the different telehealth providers. And ultimately as the pandemic came along, we got to see how they perform under pressure. We started to look at what would we do to satisfy the ultimate objective of Lavaca, which is empowering more people around the world with chronic conditions to live better and healthier lives and tell it that kind of 70 million, they're there. 70 million people around the world have access to Teladoc. So think about that. Probably half of those people have a chronic condition. They will now have access to a.

Cautionary Note Regarding Forward-Looking Statements

This communication contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements generally include statements regarding the potential transaction between Teladoc Health, Inc. ("Teladoc") and Livongo Health, Inc. ("Livongo"), including any statements regarding the expected timetable for completing the potential transaction, the ability to complete the potential transaction, the expected benefits of the potential transaction (including anticipated synergies, projected financial information and future opportunities) and any other statements regarding Teladoc's and Livongo's future expectations, beliefs, plans, objectives, results of operations, financial condition and cash flows, or future events or performance. These statements are often, but not always, made through the use of words or phrases such as "anticipate," "intend," "plan," "believe," "project," "estimate," "expect," "may," "should," "will" and similar expressions. All such forward-looking statements are based on current expectations of Teladoc's and Livongo's management and therefore involve estimates and assumptions that are subject to risks, uncertainties and other factors that could cause actual results to differ materially from the results expressed in the statements. Key factors that could cause actual results to differ materially from those projected in the forward-looking statements include the ability to obtain the requisite Teladoc and Livongo stockholder approvals; uncertainties as to the timing to consummate the potential transaction; the risk that a condition to closing the potential transaction may not be satisfied; the risk that the anticipated U.S. federal income tax treatment of the transaction is not obtained; litigation relating to the potential

transaction that have been or could be instituted against Teladoc, Livongo or their respective directors; the effects of disruption to Teladoc's or Livongo's respective businesses; restrictions during the pendency of the potential transaction that may impact Teladoc's or Livongo's ability to pursue certain business opportunities or strategic transactions; the effect of this communication on Teladoc's or Livongo's stock prices; transaction costs; Teladoc's ability to achieve the benefits from the proposed transaction; Teladoc's ability to effectively integrate acquired operations into its own operations; the ability of Teladoc or Livongo to retain and hire key personnel; unknown liabilities; and the diversion of management time on transaction-related issues. Other important factors that could cause actual results to differ materially from those in the forward-looking statements include the effects of industry, market, economic, political or regulatory conditions outside of Teladoc's or Livongo's control (including public health crises, such as pandemics and epidemics); changes in laws and regulations applicable to Teladoc's business model; changes in market conditions and receptivity to Teladoc's services and offerings; results of litigation; the loss of one or more key clients of Teladoc (including potential adverse reactions or changes to business relationships resulting from the announcement or completion of the potential transaction); changes to Teladoc's abilities to recruit and retain qualified providers into its network; the impact of the COVID-19 pandemic on the parties' business and general economic conditions; risks regarding Livongo's ability to retain clients and sell additional solutions to new and existing clients; Livongo's ability to attract and enroll new members; the growth and success of Livongo's partners and reseller relationships; Livongo's ability to estimate the size of its target market; uncertainty in the healthcare regulatory environment; and the factors set forth under the heading "Risk Factors" of Teladoc's Annual Report and Livongo's Annual Report, in each case on Form 10-K, and in subsequent filings with the U.S. Securities and Exchange Commission (the "SEC"). These risks, as well as other risks associated with the potential transaction, are more fully discussed in the joint proxy statement/prospectus filed with the SEC in connection with the proposed transaction. Other unpredictable or unknown factors not discussed in this communication could also have material adverse effects on forward-looking statements. Neither Teladoc nor Livongo assumes any obligation to update any forward-looking statements, except as required by law. Readers are cautioned not to place undue reliance on these forward-looking statements that speak only as of the date hereof.

No Offer or Solicitation

This communication does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.

Important Information for Investors and Stockholders

In connection with the potential transaction, Teladoc has filed a registration statement on Form S-4 (File No. 333-248568) with the SEC containing a prospectus of Teladoc that also constitutes a definitive joint proxy statement of each of Teladoc and Livongo. The registration statement, as amended, was declared effective by the SEC on September 15, 2020. Each of Teladoc and Livongo commenced mailing copies of the definitive joint proxy statement/prospectus to stockholders of Teladoc and Livongo, respectively, on or about September 15, 2020. Teladoc and Livongo may also file other documents with the SEC regarding the potential transaction. This communication is not a substitute for the joint proxy statement/prospectus or registration statement or for any other document that Teladoc or Livongo have filed or may file with the SEC in connection with the potential transaction. INVESTORS AND SECURITY HOLDERS OF TELADOC AND LIVONGO ARE URGED TO READ THE JOINT PROXY STATEMENT/PROSPECTUS AND OTHER DOCUMENTS THAT ARE FILED OR WILL BE FILED WITH THE SEC, AS WELL AS ANY AMENDMENTS OR SUPPLEMENTS TO THESE

DOCUMENTS, CAREFULLY AND IN THEIR ENTIRETY BECAUSE THEY CONTAIN IMPORTANT INFORMATION. Investors and security holders will be able to obtain free copies of the joint proxy statement/prospectus and other documents filed with the SEC by Teladoc or Livongo through the website maintained by the SEC at <http://www.sec.gov>.
